

## Jennifer Rajan, MD, FAAD, a Dermatologist with Alliance Dermatology Associates

Get to know Dermatologist Dr. Jennifer Rajan, who serves patients in Pennsylvania.

**New York City, Oct 15, 2020 ([Issuewire.com](https://www.issuewire.com))** - Dr. Rajan is an experienced dermatologist specializing in all skin conditions, skin cancer diagnosis and treatment, as well as cosmetic procedures to enhance the skin, hair, and body. She is in practice with Alliance Dermatology Associates with offices in Newton, Pennsylvania & Lawrenceville, New Jersey.

The mission of Alliance Dermatology Associates is to provide the highest quality of patient care and education in a warm and compassionate environment. By paying close attention to the individual patient's dermatology needs, and by listening to the patient's concerns, a physician-patient relationship based on trust and respect is established.

Dedicated to caring for both children and adults in all facets of dermatology, Dr. Rajan has special interests in diagnosing and treating acne, rashes, skin cancers and conditions resulting from aging and sun-damaged skin. She is committed to providing these services with the highest standards of compassion, ethics, and medical professionalism.

Academically, Dr. Rajan received her medical degree from The Ohio State University College of Medicine in 1995. She then went on to complete her residency in dermatology at Thomas Jefferson University Hospital, where she was a chief resident.

Subsequent to her training, she attained board certification in dermatology through the American Board of Dermatology (ABD). The ABD is a voluntary, non-profit, private, autonomous organization formed for the primary purpose of protecting the public interest by establishing and maintaining high standards of training, education, and qualifications of physicians rendering care in dermatology.

Selected by the readers of The Bucks County Courier Times to the list of One of The Best 2014 for Dermatology. Dr. Rajan holds a Fellowship status with the American Academy of Dermatology (FAAD). She is also an active member of the Pennsylvania Academy of Dermatology and Dermatologic Surgery & the Leader's Society of the Dermatology Foundation.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

In practice for nearly three decades, Dr. Rajan has been honored with several awards and recognitions, including Patients' Choice Award (2014, 2016, 2017, 2018), On-Time Doctor Award (2016, 2017, 2018), and Compassionate Doctor Recognition (2016, 2017, 2018).
