

## Marin Biologic Laboratories Receives CLIA License For Its Laboratory

**Novato, Oct 13, 2020 ([IssueWire.com](https://www.issuewire.com))** - Marin Biologic Laboratories, Inc. announced today that the Company has received their license under the Clinical Laboratory Improvement Amendments of 1988 (CLIA). The US Department of Health and Human Services (HHS) Center for Medicare and Medicaid Services (CMS), the State of California has granted the Company's CLIA laboratory license.

“With the need to have additional testing facilities in the Bay Area, we received our CLIA license and are able to provide COVID-19 virus testing with a quick turnaround time for producing the results. This goes hand in hand with our commitment to quality laboratory testing to provide accurate, reliable and timely test results for our communities. We are operational and ready to serve,” said Dr. Tania Weiss, CEO, President and Founder, Marin Biologic Laboratories, Inc.
