

## **Nora Chambers, RN, a Registered Nurse with White Glove Community Care**

Get to know Registered Nurse, Nora Chambers, who serves patients in Brooklyn, New York.

**New York City, Oct 20, 2020 ([IssueWire.com](http://IssueWire.com))** - Specializing in elderly care, Nora is a registered nurse who tends to patients at White Glove Community Care in Brooklyn, New York.

White Glove Community Care was established to address the needs of individuals at home who were either recovering, disabled, chronically/terminally ill, or in need of nursing care and/or assistance with the essential activities of daily living. Today, the agency has a history of providing these services to patients with diminished physical capabilities who choose to live independently.

On her path towards becoming a nurse, Nora graduated with her nursing degree from the University of the West Indies in Jamaica.

Nora is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
