

## The Los Angeles Music Artist Shezi Rosewood drops a stunning Portrayal of Musicality through ‘Other Side’

Upfront vocal line and build-up of beats help in portraying a unique level of passion – ‘Other Side’ is an enticing track by Los Angeles music artist Shezi Rosewood.

**Los Angeles, Oct 12, 2020 ([Issuewire.com](http://Issuewire.com))** - Offering a subtle balance between strength and melody, ‘[Other Side](#)’ starts as a track that is simple at the exterior, however, the more you get into the progression, the more menacing it gets. The confidence present in the switch of gears throughout the track has made the entire presentation appear in a more enthralling way. The [Los Angeles music artist Shezi Rosewood](#) has ensured to prove an honest, deeply contemplative, and unique form of hip hop – rather than offering unnecessary screaming – there is brightness to the entire flow, which has stolen the show. **Shezi Rosewood** has swept away the hearts of one and all.

This sub-two minute release from the artist has been designed with a few more details compared to any other contemporary releases – there is vibrancy to the progression of the track, and meanwhile, the subtle yet well-structured beats create a hypnotic ambiance around the sound. ‘**Other Side**’ has an aura around it that is professionally built and particularly in a manner that can keep you engaged. The arrangement has been created by taking hints from retro hip hop along with the contemporary scene of music-making. The clean-cut vocal line has injected a sense of authenticity and clarity to the entire presentation.

Being an artist, entrepreneur, and influential lifestyle strategist, the work of **Shezi Rosewood** isn’t only limited to music. However, he has always given priority to this form of art, which has resulted in the creation of some magnificent tracks like ‘**No Sleep**’ and ‘**Space Island**’. The subtle structures of these tracks have been glorified in such a way that none stay away from his offerings. He certainly has the potential of making a huge name in the music industry. You can stream all of his tracks on

SoundCloud and follow him on [Facebook](#), [Instagram](#), [Twitter](#), [YouTube](#) and his [official website](#).
