

## Upcoming Artist Eva No's is Creating a Melodic Transcendence with Her New Song 'History Of Now'

The musical and creative depth in upcoming artist Eva No's newly released song 'History of Now' is a beautiful meandering course of pop and country tunes.

Clinton, Oct 31, 2020 ([IssueWire.com](http://IssueWire.com)) - The musical and lyrical legacy of pop and country is being carried forward through the proficient creative scope of upcoming artist **Eva No**. She recently came out with the song, '[History of Now](#)' from her debut EP by the same name which are glorious infusions of contemporary pop and country trails. With a voice that soothes and cleanses the soul,

she has set her audience on a journey of melodic transcendence with the song. The song thematically captures the importance of accepting the past and moving on in order to grow and imbibe wisdom. All the elements of the song are technically and musically set in a balanced format that allows the effortless passage of its thematic streak.

Swedish artist Eva Nordell is currently associated with Yellow Rhinestone Records under the music label Billberg Entertainment. Her music comes from a place of self-contemplation and understanding that reflects in her work through a language of music, lyrics, and melodies. The song '**History of Now**' ignites a certain passion and a musical sense that leaves a lasting impact. Some of her other songs like 'Alive', 'Bohemian Lover', 'Trouble in Paradise', and 'The Shore' all carry the resonance of inspiration and motivation. Working with various ideas and sound theories, she is constantly expanding her creative scope to pave the way for a deeper insight into music.

Artist **Eva No** is set to release a new single in January which will comprise of EDM arrangements, a sound different from her take on pop and country blends. Making music that is personalized and sharing it with her audience, she has penetrated their creative space and contributed to their personal growth. From her eccentric style to her musical diversities, she is on her way to the epitome of popularity.
