

Amanda King, NP-C, a Certified Nurse Practitioner with Saint Alphonsus Medical Group, Lake Hazel Clinic, Urgent Care

Get to know Certified Nurse Practitioner, Amanda King, who serves patients in Boise, Idaho.

New York City, Nov 3, 2020 ([IssueWire.com](https://www.issuewire.com)) - Amanda is a certified nurse practitioner specializing in family medicine and urgent care. She can be found on staff at Saint Alphonsus Medical Group Lake Hazel Clinic Urgent Care in Boise, Idaho.

Located on the corner of Lake Hazel and Five Mile roads, Saint Alphonsus Medical Group provides convenient access to urgent care and family medicine services for families in Boise's southwest community. Open daily with limited wait times, urgent care provides convenient and cost-effective treatment for conditions that are non-life-threatening.

Raised in Juneau, Alaska, Amanda relocated to Idaho to pursue a career in health care. She was awarded the Gem State scholarship at Boise State University and received her Bachelor of Science in Nursing degree from this institution. She then went on to earn her Master of Science in Nursing degree (Nurse Practitioner Program) from Idaho State University, graduating with high honors.

A Certified Nurse Practitioner (NP-C) is an advanced practice registered nurse. Nurse Practitioners hold certification and are trained to assess patient needs, order and interpret diagnostic and laboratory tests, diagnose disease, as well as formulate and prescribe treatment plans.
