

Beauty Nutrition and Science Innovation

California Skincare and Ultimate Beauty Health Announce Distribution Partnership

Scotts Valley, Nov 20, 2020 (IssueWire.com) - Ultimate Beauty Health (UBH) announces a distribution partnership with California Skincare Supply. CSS services the national professional beauty markets with cutting edge products for anti-aging focus on skincare. [Ultimate Beauty Health](#) offers an innovative and emerging new category of beauty nutrition, referred to as nutricosmetic supplements. Nutricosmetics are science-based supplements designed to deliver beauty and healthy aging benefits with an emphasis on skin, hair, nails, and overall wellness from the inside-out. Nutritional absorption is the key factor.

This new partnership will help establish the TruBeauty brand as a leader in the rise of beauty nutrition for healthier skin and attract women who not only want to look good but also feel good.

The company and its brands, TruBeauty and Ultimate Beauty are becoming known in the health and beauty industry as an innovative newcomer, advocating a nutritional approach with its first natural, NON-GMO, and gluten-free supplements. [NITRIC OXIDE REJUVENATION](#), a daily multi-vitamin supplement for skin cell renewal, vitality, healthy blood flow, and [RECOVERY](#), a collagen “activator”, for skin, bone health, and connective tissue. *

“Science and medical research will continue to create next-generation ingredients technology, changing the way we approach multiple skin issues” explains Kelli Anderson CEO of [California Skincare Supply](#). “Natural ingredients with the science of nitric oxide to support the delivery of essential nutrients is one solution for the absorption problem.”

“Teaming up with CSS provides an educational and professional approach to beauty which is an exciting development for our company and enables us to reach women (and men) who want to go beyond skin deep” states Priscilla Alden B, Founder, “CSS is a great partner that exemplifies dedication to the wellness side of the beauty equation, we share the importance of relationships, ethics, and integrity in our respective business.”

The partnership reflects a desire to collaborate with a shared vision that ultimate beauty is health.

About: Ultimate Beauty Health – The company provides nutritional dietary supplements, known as nutricosmetics for overall wellness and beauty from the inside-out. Their mission is Rejuvenation- the process of helping someone feel, look better, younger, or more vital. The first products focus on the benefits and science of nitric oxide, a “messenger molecule”, discovered in 1998 by U.S. Scientists. Contact: customercare@ultimatebeautyhealth.com

About: California Skincare Supply – The company, established in 1990, provides an esthetician’s edge by distributing the absolute best skincare product lines, training, and equipment. The company educates, and values clients, and their brand owners above all, treating everyone with honesty, integrity, and kindness.
