

## **Caitlyn Hall, DDS, a Dentist with North Kansas City Dental**

Get to know Dentist Dr. Caitlyn Hall, who serves patients in Kansas City, Missouri.

**New York City, Nov 5, 2020 ([IssueWire.com](https://www.issuewire.com))** - Dr. Hall is a skilled dentist working at North Kansas City Dental in Kansas City, Missouri. She has a special interest in aesthetic dentistry and works hard to create individualized treatment plans for each patient tailored to their specific needs. She enjoys providing her patients with high quality comprehensive dental care which is both comfortable and enjoyable.

“I am excited to explore Kansas City and become a part of the city’s most respected practice. I have known Dr. Busch and Dr. VanYperen for a while and am thrilled to be a part of their team. They are doing meticulous, clean, and modern work for their patients. I am thrilled to join them in our new, state-of-the-art dental office.” commented Dr. Hall.

Academically, she received her Bachelor of Science degree in Biology with a minor in Chemistry and Leadership Studies from Baylor University in Waco, Texas. She then went on to graduate with her Doctor of Dental Surgery degree from the Creighton University School of Dentistry in Omaha, Nebraska. Upon graduation, she was presented with the Brasseler USA Excellence in Endodontic Educator Award, after which she moved to her husband’s hometown of Kansas City.

Giving back to her community has always been a priority for Dr. Hall. She looks forward to continuing her volunteer work with programs such as Team Smile as well as Give Kids a Smile. Likewise, she is thrilled to be practicing in her husband’s hometown and honored to be treating the community he grew up in.

Among her professional dental affiliations, she is a member of the American Dental Association, the Missouri Dental Association, and the Greater Kansas City Dental Society.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Although she is originally from Tacoma, Washington, Dr. Hall enjoys living North of Kansas City with her husband, Elijah, their dog, Sparta, and their cattle.
