

Fastest Knockout in Combat Sports History

Healthy1inc sponsors the medallions and title belt.

Casselberry, Nov 30, 2020 (Issuewire.com) - If you're like me and enjoy watching a good boxing match-up, then I'm sure you would love watching a **Bare Knuckle** Boxing bout. The fighters don't use gloves, which means faster action and more blood – if you're into that kind of thing.

On Friday the 13th, 2020, Uly “The MONSTER” Diaz scored the fastest knockout in combat sports history with a whopping **3 SECOND KNOCKOUT**. Matthew Zifferblatt at **Healthy1inc** was there to see it all, and his supplement company was the proud sponsor for both the winners’ medallions and the Championship Belt this year.

“After being a fan of the sport for years now, sitting ring-side is an even better experience on its own. In fact being able to be a part of combat sports history was an honor and a pleasure totally.” Said **Matthew Zifferblatt**, owner and operator of a Florida-based supplement company, [Healthy1inc](https://healthyoneinc.com).

Healthy1inc offers nutritional blends, personal coaching, and sponsors world-class athletes. Visit their website here: <https://healthyoneinc.com>.

Matthew Zifferblatt also followed up with this: “I was introduced to **Bare Knuckle Fighting Championship** after searching online to find an athlete worth sponsoring for my supplement brand, Healthy1inc. We found one particular athlete at Bare Knuckle to truly represent the values of our motto: ‘**Enjoy Living Life Healthy**’. In fact, Healthy1inc chose to sponsor “The Bare Knuckle Beast” [Jim Alers](#).

Jim Alers was a former **UFC** fighter, a black belt in Ju-Jitsu and run's his own martial arts gym for athletes to follow their dreams of becoming a martial artist or even a professional fighter. Lo and behold, Jim just fought for the Bare Knuckle Fighting Championship World Title this past Friday the 13th. Unfortunately, he did not claim the title this year.

Bare Knuckle Fighting Championship is ran by its President, **Mr. David Feldman**. Matthew Zifferblatt added his thoughts on Bare Knuckle: “I have personally met both of these men, both **Uly “The MONSTER” Diaz** and Mr. David Feldman, and I must say, what a class act of a fighter and such a pleasure to be in the same presence as Mr. Feldman. I have never seen such a well-rounded guy run an organization like he does.”

If you want some fast action, and are not afraid for it to get messy, then I *highly* recommend you check out Bare Knuckle Fighting Championship. Remember no gloves.

From **Orlando**-based supplement company **Healthy1inc** owner and operator “Matthew Zifferblatt” to readers worldwide:

“It has been an honor and pleasure to have been a part of the fastest knockout in combat sports history.”
