New York City, Nov 4, 2020 (IssueWire.com) - Dr. Starobinets is a remarkable orthodontist serving as the Founder of Bright Smile Orthodontics. She is proud to serve the people and families of Fair Lawn, Paramus, Elmwood Park, Ridgewood, and surrounding towns in Bergen and Passaic counties with comprehensive orthodontic care.

Bright Smile Orthodontics has a reputation in the community of a family oriented, friendly and professional practice, offering efficient and comfortable treatment with a gentle touch. Dr. Starobinets and staff go the extra mile to make sure patients have a positive orthodontic experience resulting in a functional bite and a beautiful smile.

Academically, Dr. Starobinets graduated Valedictorian from Columbia University College of Dental Medicine after receiving her Bachelor of Arts degree with honors from New York University. She completed her education by performing a General Practice Residency at North Shore University Hospital, and by obtaining a Certificate in Orthodontics and Dentofacial Orthopedics from Columbia University.

As she is dedicated to her specialty, she attends continuing education conventions in order to stay current with the most recent advances in orthodontics. Therefore, she is able to offer proven state-of-the-art orthodontic treatments to her patients, enhancing every facet of treatment. She uses only the finest and latest orthodontic braces, including crystal clear braces that are very esthetic and safe for the teeth, very small metal brackets which are more comfortable due to their low profile, technologically advanced wires which move teeth more gently and quickly than conventional wires, and Invisalign.

In direct affiliation with her industry, Dr. Starobinets is a member of the Omicron Kappa Upsilon National Dental Honor Society, the American Dental Association, the American Association of Orthodontists, the Middle Atlantic Society of Orthodontists, the New Jersey Dental Association, the Bergen County Dental Association, and the Center for Facial Deformity and Craniofacial Art Institute.

Orthodontics is a specialty of dentistry that deals with the diagnosis, prevention, and correction of malpositioned teeth and jaws. As an orthodontist, Dr. Starobinets is responsible for identifying problems with the positioning of a patient's teeth and with their oral development. She utilizes the most advanced procedures and equipment available to ensure that every patient achieves a healthy and beautiful smile.

Born in Moscow, Russia, Dr. Starobinets now lives in Bergen County, New Jersey with her husband and family. She enjoys traveling, playing tennis, downhill skiing, dancing ballet, and tending to her family.
