

## Los Angeles Process Server - Serving Papers where others have failed...

Process Service specialists in Los Angeles serving people that do not want to be served.

**Los Angeles, Nov 16, 2020** ([IssueWire.com](http://IssueWire.com)) - The owner of [YourLosAngelesProcessServer.com](http://YourLosAngelesProcessServer.com), Paul Cazalet, P.I., a State of California Licensed Private Investigator since 1994, explains why other process servers fail and never complete service on individuals, celebrities and the super rich... Paul stated, "After 30+ years as a Detective, we have created many ways to get the job done, a job that was reported to be impossible is now completed, from a door knock wearing a pizza delivery outfit and

an empty pizza box to a dozen roses and balloons..."

Paul recommends starting with a phone call to (818) 310-6711 followed by emailing us at [YourLosAngelesProcessServer@gmail.com](mailto:YourLosAngelesProcessServer@gmail.com)
