

## **Monica Pinto CEO of Hypnosis Visuals is on the come up. Casting Director, actress, and the daughter of Patricia Pinto**

Monica Pinto has been working in casting since she was 14 years old. She knows the ins and outs of the industry, even the virtual one. Her mom is Patricia Pinto. Monica was on Jersey Shore. She's worked with Ariana Grande, Maluma, Bon Jovi, and more.

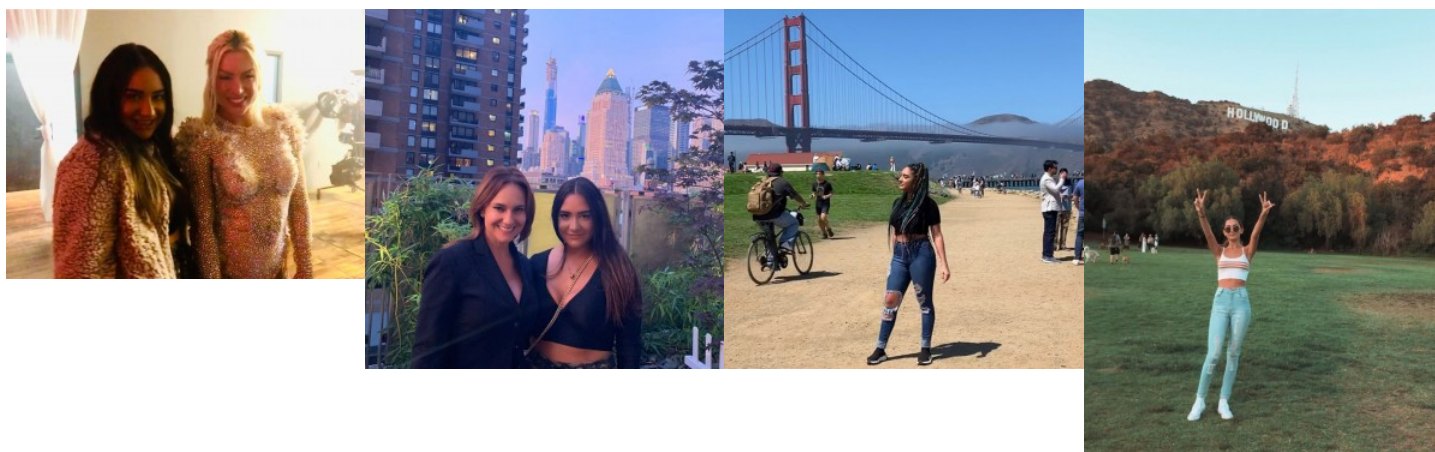

**New York City, Nov 1, 2020 (IssueWire.com) - [Monica Pinto](#)** is the casting director everyone is talking about online. Monica casted lead models for an A-Boogie Wit Da Hoodie and Flipp Dinero music video that was released 3 days ago. She founded **Hypmosis Visuals** in NYC and has since worked with artists like Maluma, J Balvin, Ariana Grande, Future, Jon Bon Jovi, Becky G, and hundreds more from all over the globe.

Her mom is Patricia Pinto. Patricia says she's really proud of her daughter and all that she has achieved thus far. Patricia is the CEO of La Creme Modeling & Acting Agency. She says Monica is still very young and the public should focus on what she's going to do, not just what she has already done. [Francesca Pinto](#), her model sister, agrees with Patricia Pinto on this.

Monica says she works on building her personal brand every day and she plans on making Hypmosis Visuals t-shirts and other types of merch for her and her assistants to wear on set. Monica Pinto's [Hypmosis Visuals](#) already has a strong presence in every major city in the USA and UK but she says she wants to expand to other cities in other countries like Madrid, Lisbon, Berlin and more.
