

Shulkin Solutions and Healthium LLC. announce the launch of the IsraelUAE Health Collaborative

The joint venture will enable Healthcare Technology Innovation between the United Arab Emirates and Israel in the backdrop of the historic Abraham Accord.

Washington, D.C, Nov 25, 2020 (Issuewire.com) - In the backdrop of the historic Abraham Peace Accord, Shulkin Solutions LLC and Healthium LLC. have established a new platform to support healthcare collaborations between non-governmental entities working to build relationships in The United Arab Emirates and Israeli Healthcare Technology sectors. The agreement comes in the wake of the historic accord that is changing the political and economic landscape in the Middle East region.

IsraelUAE Health Collaborative will provide a platform for companies in the region to share their capabilities and their interest in collaborating with potential partners. *IsraelUAE Health Collaborative* will focus on strategic growth opportunities and provide technology support to ensure competitive differentiation. The teams at Shulkin Solutions and Healthium will also provide assistance with identifying financial resources for partnerships and connect with leading US based companies when appropriate. Specific areas of interest include access to care, artificial intelligence, behavioral healthcare, COVID-19 responses, data interoperability, digital health, electronic health record support, genomics, health technology, patient centered care, pharmaceutical development, population health, predictive analytics, provider system integration, remote monitoring, telehealth, quality of care improvement.

“The best way to build upon this historic accord is to create opportunities for people to work together to improve health outcomes for the citizens in this region of the world”, said David Shulkin, M.D., the Ninth Secretary of the US Department of Veterans Affairs.

“The historic achievement of normalization of ties between the UAE, Bahrain and Israel paves the way

for economic and cultural collaborations, and it creates an environment to form powerful alliances for the Health Tech industry in a post COVID19 economy.” Said Mr. Kais Aldahshan - CEO of Healthium LLC. “Healthium is proud to partner with Shulkin Solutions in this effort as the Secretary is a globally recognized leader in the Healthcare industry. We are committed to helping companies from this region to form a sustainable collaborative success” Mr. Aldahshan added.

Healthium LLC is a forward-thinking Healthcare Technology Consulting firm based in Washington DC with strategic presence in the Middle East.
