

Toasted Bar Announces Release of The Treat Yo' Elf Collection

Hand-poured soy wax melts and candles that bring the fragrance of home for the holidays.

Joliet, Nov 3, 2020 (Issuewire.com) - Designer Tara Schumacher, from Toasted Bar, Inc., is announcing her release of the brand-new Treat Yo' Elf Collection. Each wax melt and candle is created and hand-poured by the designer herself. The Treat Yo' Elf Collection will be released on November 7, 2020.

The Treat Yo' Elf Collection will be exclusively sold on the [Toasted Bar, Inc's website](#), where the limited supply products are scheduled to sell out by the end of the season. The wax melts in this collection are designed to bring the fragrance of holidays spent with the family. The nostalgic scents of a childhood home will ease anxiety and calm the hectic season, making every shopper feel as though they were making angels in the snow.

Toasted Bar's soy wax melts and candles are hand-poured in small batches to ensure the best quality and longest-lasting fragrance possible. The soy melts come in a variety of colors and fragrances, with a product lineup wide enough to fit everyone's fragrance desires. Some melts are infused with essential oils and odor-eliminating components. Shoppers will enjoy the unique and edgy names given to each soy melt, examples including: Reindeer Poop, Elf Jelly, and Penguin Pole. The Treat Yo' Elf Collection includes soy melts and candles, prices ranging from \$4-\$8.

Tara is ecstatic to welcome her fans, new and old, to the new hand-poured collection they have been waiting for!

Toasted Bar, Inc was born out of the frustration many of us feel when purchasing wax melts or candles, only to get them home and realize their fragrance is poor and often short-lived. After months of research, Tara found the solution, and also the healthiest option, in soy wax and started creating her own highly scented and non-toxic melts and candles. Toasted Bar's products started gaining notoriety in 2019 amongst the wax melt and candle industry. Adored for their highly scented soy wax melts and candles, Toasted Bar, Inc provides luxurious and long-lasting fragrance for the home or office, while offering edgy and fun product names to bring a smile to your face.
