

## Arup K. Bhadra, MD, FACS, MSc, an Orthopedic Surgeon with Northeast Orthopedics and Sports Medicine

Get to know Orthopedic Surgeon Dr. Arup K. Bhadra, who serves patients in Airmont, Monroe, and Stony Point, New York.

**New York City, Dec 31, 2020 ([Issuewire.com](http://Issuewire.com))** - Dr. Bhadra is an orthopedic surgeon with Northeast Orthopedics and Sports Medicine (NEOSM) in Airmont, Monroe, and Stony Point, New York.

NEOSM is a premier orthopedic practice specializing in sports medicine, general orthopedics, joint

replacement, and more. It proudly serves the needs of the New York and northern New Jersey regions. “With the integration of five major practices into one cohesive entity, we offer expanded specialties and services in addition to a larger pool of expert physicians. We combine this growth with our continued commitment to providing world-class care for our community. As such, our nine convenient locations mean you get the treatment you need wherever you reside” as stated on the practice’s website.

In addition to his position with NEOSM, Dr. Bhadra is also the Director of the Joint Replacement Program at Good Samaritan Hospital and a Clinical Assistant Professor of Orthopedic Surgery at New York Medical College.

Academically, Dr. Bhadra earned his master’s in orthopedic engineering from Cardiff University and his Bachelor of Medicine, Bachelor of Surgery from Nil Ratan Sircar Medical College. He completed his residency training in trauma and orthopedic surgery from Homerton University Hospital and Royal National Orthopaedic Hospital. He also completed fellowships in adult reconstruction and traumatology at the University of Louisville, as well as a fellowship in sports medicine at Indiana University.

Dedicated to excellence, he is a member of the American Association of Hip and Knee Surgeons, the American Association of Orthopaedic Surgeons, the American Medical Association, and the Arthroscopy Association of North America. He is also a Fellow of the American College of Surgeons (FACS) and a Fellow of the Royal College of Surgeons and Physicians of Glasgow, United Kingdom.

Having been active in medical research, Dr. Bhadra has published numerous articles in peer-reviewed journals and has presented at national and international orthopedic forums. He has also been featured in several articles for his expertise.
