

## EDM Artist LVDS Drops a Beautiful Collection of Electro Swing Tracks Featuring a Prominent Hint of Nostalgia

International EDM music producer and remixer LVDS showcases his thematic diversity through the unparalleled rhythmic cadence in his recently released singles.

**Amsterdam, Dec 26, 2020 ([Issuewire.com](http://Issuewire.com))** - With the year coming to an end, the world is about to witness the thematic grandness of rising electro swing artist **LVDS** through his perfectly poised swing pieces. His newly released singles from the album *Golden Days* feature a unique blend of vintage rhythmic samples and modern melodic resonance. Teaming up with Szigeti Juli, he has released

'[Ain't Nobody – Electro Swing Mix](#)', a colorful mix of diverse rhythmic styles and elements. The other popular tracks from the album '[Be with U – Swing & Bass Mix](#)' and '[Cafe Noir](#)' are exceptional instrumental pieces offering the perfect doses of vintage and contemporary cadence. The next one, '[This Is Swing Hop – Bonus Track](#)' features beautiful piano riffs merging smoothly with a head-bobbing rap and R&B flow.

Hailing from the Netherlands, the brilliant musician gathered influences from diverse musical genres from a very young age. His music is reminiscent of the past, intermingled with the modern melodic schemes in each corner. Mixing EDM, Bass, Swing, Jazz, Tech House, Hip Hop, and more, the brilliant artist has established a divine soundscape that is inimitable.

Working with the production house Electro Swing Thing, [LVDS](#) has dropped his 15 track album Golden Days featuring soundtracks like 'Ain't Nobody – Electro Swing Mix', 'Be with U – Swing & Bass Mix', 'This Is Swing Hop – Bonus Track', and 'Cafe Noir'. The songs are the epitome of his dynamic versatility and creative artistry. Refusing to be bound by any particular style, he experimented with diverse thematic elements in each of the songs.
