

George Y. Lee, MD, a Family Physician with Overlake Medical Center

Get to know Family Physician Dr. George Y. Lee, who serves patients in Bellevue, Washington.

New York City, Dec 23, 2020 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Lee is a board-certified family physician whose approach to medicine is thoughtful and wellness-oriented. He treats each patient as a whole, focusing not only on physical health but on mental and emotional well-being.

Although he is highly esteemed among his peers, he is most proud of the strong relationships he builds with his patients and his reputation among them for close listening and unflagging compassion. At Overlake Medical Center in Bellevue, Washington, his areas of medical focus include healthy weight loss, vein treatments, cosmetic procedures (liposuction), and wellness medicine.

At the start of his academic career, Dr. Lee graduated with his medical degree from the Loma Linda University School of Medicine in 1997. He then went on to perform his residency at Riverside County Regional Medical Center in 2000.

A member of the American Medical Association, the doctor is board-certified in family medicine by the American Board of Family Medicine (ABFM). The ABFM is a non-profit, independent medical association of American physicians who practice in family medicine and its sub-specialties.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Named a Top Doctor by Castle Connelly, Dr. Lee is the recipient of the On-Time Doctor Award (2015), Compassionate Doctor Recognition (2015, 2018), and Patients' Choice Award (2018).

Proud to serve Bellevue, he spends as much time as possible in the great outdoors with his three children. He is always trying to sharpen his hockey game, and he loves exercising his creative side through photography.
