

**Izzat Freitekh's La Shish Kabob is still our #1 Favorite Family Owned Restaurant in Charlotte, North Carolina.**

**Charlotte, Dec 21, 2020 ([IssueWire.com](http://IssueWire.com))** - When Izzat Freitekh opened the doors to his restaurant La Shish Kabob in 2009, I was living a few miles away attending UNCC. I was very happy an authentic middle eastern restaurant opened its doors next to me. Little did I know that this restaurant ended up being my everyday restaurant and the owner will be considered as a father figure to me.

Every time I go there, I see Mr. Izzat Freitekh working so hard at all hours of the day. They open at 11:00 am until he closes the doors at 11:00 pm. I witnessed him helping people in need as well. I have seen hundreds of catering plates heading to a number of nonprofit organizations, such as Ourbridge ([www.joinourbridge.org](http://www.joinourbridge.org)), etc.

I appreciate what Izzat has done for our community. He gave it life and made it a safe area to live and shop in. Please support Mr. Izzat Freitekh and his family by ordering from La Shish Kabob.

Their address is 3117 N Sharon Amity Rd. Charlotte NC, 28205.

I must mention that they have over 1,320 positive reviews on google and it's for a good reason. Check it out.
