Delhi, Dec 4, 2020 (Issuewire.com) - **Superstar Talent Hunt**, India's First Edutainment App is gifting away smiles to all the talented performers on their App. It's mission to bring all the talented performers in limelight and motivating them to live their passion is going on in full spree with the Challenges on the App. With each of their new challenge they are trying to penetrate only one thought among the young participants i.e. to turn their dream into reality. Through Superstar Talent Hunt, the mobile App encourages all the aspiring performers of different walks of talents like **Dancing, Singing, Acting, Instrumental Music** and many other talents to showcase their exceptional talent in front of the world.

Health & well-being of the performers is the top priority in current scenario. So, the App gives all the

aspiring talents the platform to give the dream audition from their home comfort. The judges of the App **Divya Khosla Kumar, Mouni Roy, Varun Sharma & Ankur Gupta** are already flooded with plenty of the spectacular performances and are enjoying every bit of it. Recently on the Birthday of their judge Divya Khosla Kumar, Superstar Talent Hunt ran the campaign **#DivyaKhoslaKumar** to wish the Dancing Diva on the birthday. The campaign became a huge hit among the performers and the Judge herself reposted the efforts of Challengers on her Instagram Account.

Commenting on one of the Challenger's post she conveyed her gratitude and love to the little challenger and appreciated every performer who participated in the Challenge. Not only the Dancing Diva, Divya Khosla Kumar appreciated the winners but Founder of the App, Ankur Gupta also lauded the performers by gifting them amazing gift hampers and conveying his best wishes to everyone. Commenting on the success of the Challenges, Ankur Gupta said, "With an aim to spread happiness and positivism amongst the young participants, we decided to roll in our Challenges to keep them indulged in their passion. We are grateful for the response we have received so far and hope to see people participating in large numbers. As our tagline says, "Just A Minute to Win It", we are excited to celebrate every talented participant in the country.

Superstar Talent Hunt is India's first ever talent hunt competition for young participants who want to showcase their talented skills to the world. It was launched on September, 1, 2020 by the organisation "Name & Fame Music Saga LLP" under the mentorship of Mr Ankur Gupta. It is a digital platform for young participants to showcase their exceptional Dancing, Singing, Acting, Comedy, Instrumentation, Art and Craft and many other talents. Presently, it has more than 10,000+ users and it is growing tremendously.
