About the Group

The Mohinani Group is a 3rd generation leading family business and we are proud to be associated with offering the best and most trusted brands both locally and internationally. Our business operation spans from packaging, consumer durable distribution, electronics retail, real estate, quick service restaurants, and hospitality.

The Mohinani Group believes that each employee is accountable for everything we do in achieving outstanding results by growing sustainable brands through innovation, consistency, and efficiency. We focus on building and nurturing an all-inclusive successful relationship. We make sure we stay grounded in all that we do to the benefit of our employees, communities, and environment.

Our investment in the African economy spans over a period of more than 5 decades and has helped build a robust industry for the continent. Our diverse business portfolio of companies has created over 3,000 jobs in our multi-sector and multi-country operations, we are unified by a common goal and common values.

Our long-term growth agenda and clear objective are to improve the quality of life for everyone anyone who comes into contact with our solutions either directly or indirectly.

We respect employees, clients, stakeholders, indeed humans of all diverse backgrounds. Our values are centered on People, Accountability, Commitment, Persistence, Entrepreneurship, and Social Responsibility.
