Get to know Chiropractor Dr. Adam Hutton, who serves patients in Palatine, Illinois.

**New York, New York City, Jan 22, 2021 ([IssueWire.com](http://IssueWire.com))** - Dr. Hutton is an experienced chiropractor & a biomechanical spine specialist. “Doing our best work behind your back”, he is the Founder of Palatine Family Chiropractic in Palatine, Illinois.

Treating all walks of life from expectant mothers, newborns, elderly, and everyone in between, Palatine Family Chiropractic offers the following chiropractic services: spine, extremity & cervical care; spinal decompression therapy; prenatal & pediatric chiropractic care; auto accident care; treatment for a work-related injury; sports injury treatment; wellness care; massage therapy; digital X-ray imaging; and custom orthotics.

On a quest for optimum health and wellness, Dr. Hutton is an accomplished and respected member of the chiropractic community who is known for his results. He is dedicated to maintaining clinical excellence by staying up-to-date on current research in the chiropractic field. His broad knowledge makes him an excellent diagnostician, and after years in practice, he excels at delivering precise adjustments that help reduce patients' symptoms, regain mobility, and improve health.

From 1995 until 1996, Dr. Hutton served as an Emergency Medical Technician in the United States Army, Combat Medical School in Fort Sam, Houston, Texas. He then went on to earn his Associate of Science degree from Richland College, and his Bachelor of Science degree in Human Biology from Logan College of Chiropractic. In 2002, he graduated with his Doctor of Chiropractic degree from Logan College of Chiropractic.

Among Dr. Hutton's selected postgraduate education and certifications include: Certification in Manipulation Under Anesthesia, fellowship training at Advanced Surgery Centers, Southern California University of Health Sciences (August 2016); Certification in Hospital Based Spine Care, Texas Chiropractic College Graduate Doctoral Program, Academy of Chiropractic Post-Doctoral Division, PACE Recognized by the Federation of Chiropractic Licensing Boards, Long Island, New York (2015); Certification in Spinal Biomechanical Engineering, ACCME Joint Sponsorship with State University of New York at Buffalo School of Medicine and Biomedical Sciences, University of Bridgeport, Division of Health Science Postgraduate Education, Academy of Chiropractic Post Doctoral Division, Recognized by the PACE Program of the Federation of Chiropractic Licensing Boards, Long Island, New York (2015); Certification in MRI Interpretation, ACCME Joint Sponsorship with State University of New York at Buffalo School of Medicine and Biomedical Sciences, University of Bridgeport, Division of Health Science Postgraduate Education, Academy of Chiropractic Post Doctoral Division, Recognized by the PACE Program of the Federation of Chiropractic Licensing Boards, Long Island, New York (2014); Specialized Low Force Adjusting, New York Chiropractic College, Department of Postgraduate and Continuing Education, Levittown, New York (2010); and Integrating Chiropractic and Postural Rehab Exercises, University of Bridgeport, Division of Post Graduate and Continuing Education, Chicago, Illinois (2007).

A Diplomate of American Academy of Medical Legal Professionals (DAAML), he is a member of the Academy of Chiropractic, the American Chiropractic Association, the International Chiropractors Association, and the Illinois Chiropractic Society.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain, back pain, headaches, vertigo, and a long list of other ailments and conditions. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself naturally, without the use of medication or surgery.

With his passion for wellness extending into his personal life, Dr. Hutton is an accomplished amateur bodybuilder and believes in a balanced lifestyle of family, exercise, work, and God. As an athlete and bodybuilder, he can relate to an athlete and bodybuilder's need for proper treatment of the body as a

whole and the importance of regular preventative care.

In honor of his clinical expertise, he is the recipient of the Pinnacle Award for Top 25 Outstanding Doctors of America & Runner-up for Doctor of the Year, Pinnacle Management for Chiropractors (2005, 2006).
