

Areca palm leaf plates manufacturers

Areca Plate Manufacturer Areca Plate Exporter in India

Madurai, Jan 12, 2021 (Issuewire.com) - We are Anya Exports best Areca leaf plate Manufacturers in Madurai Tamilnadu , Areca leaf plate Suppliers in Madurai. We at “Eco Friendly Concept” aim to reduce the impact on our environment by creating and promoting Areca Leaf products which are being produced with sustainable resource (made from fallen leaves – 100% natural) through Eco friendly process (no chemicals or additives used) and make sure it is acceptable to Earth when disposed of (biodegradable & compostable).

Areca leaf plates have other special additional values after being used. The disposable plates act as a great source of organic manure. The plates can also be used as a good fertilizer which also enhances plant growth

Our Areca nut Leaf Dinnerware is used for many purposes. These elegant, customized disposable Areca plates made from Areca leaves are an eco-friendly alternative to plastic disposable plates. These

biodegradable areca leaf plates are natural and can be a re-usable resource.

We are in the business of Eco-Friendly Products in the industry. We have a basic motive of promoting the Eco-friendly environment. In the way of implementing that we are involved in the manufacturing and exporting of Bioproducts. By the way of promoting the bio-friendly product usage, we are also employing people from rural areas for a fair wage.

Eco plates are well structure prepared using our Hi-tech technology and used as dinnerware like Restaurants, Functions, wedding, naming ceremonies, etc, and exported to various countries to satisfy clients' needs we provide quality products.

We are much concerned about the quality. The products are made in the most hygienic way. We are making the QC inspection for each and every plate as part of the production. We deal with both Domestic and international markets. Different quality standards are being followed based on the markets (Domestic and international).
