

Consus Global appoints Sonal Shukla as its Head of Global Strategic Alliances

New York City, Jan 18, 2021 ([Issuewire.com](https://www.issuewire.com)) - Consus Global, a leading supply chain advisory and services organization, today announced that its Managing Partner for Global Systems Implementation practice, Sonal Shukla will be assuming the additional responsibility as Head of Global Strategic Partnerships.

In her new role, Sonal will be responsible for building and overseeing of Consus global partner ecosystem across geographies and service lines. The objective is to synthesize our combined strategic initiatives into tangible go-to-market programs that can add the most value to our customers.

"Going forward, partners will play a crucial role in Consus's goal to enable companies to effectively streamline and strengthen their procurement value chain. Sonal will focus on strengthening our strategic partner eco-system, both services, and software to provide our customers with holistic solutions in

supply chain and procurement" said **Shantanu Bhowmick, Chairman and CEO at Consus Global**. "Sonal had played a pivotal role over the past 4 years streamlining our global source-to-pay systems implementation practice and will continue to do so. In addition, we look forward to having Sonal at the helm, leading Consus's global partnership efforts."

"The rapidly changing business landscape and the rising customer expectations requires both depth and breadth of expertise, which can be optimally achieved through effective collaboration within and across organizations," said **Sonal**. "With the customer as the focal point, Consus is committed to establishing a comprehensive solution offering to address both current and future needs of our customers in supply chain and procurement. We believe, our deep domain expertise, extensive geographical and industry knowledge clubbed with value offerings from our partners will enable unprecedented customer success and business value."
