West Yorkshire, Jan 7, 2021 (<u>Issuewire.com</u>) - Latest Release from Bradfordian Electronic Music Producer 'Ostrich' aka Harry Speight

Laidback vocal track with garage vibes, relaxed vocals, and a hypnotic feel, available for purchase on <u>Bandcamp</u> and streaming on <u>Soundcloud</u>.

Harry Speight aka (Ostrich, Hazardous) is a 21-year-old bass music producer from Bingley, West Yorkshire. Spends most of his time in session with the local rappers and songwriters of his surrounding areas, producing beats, and recently since the virus he has started to work a lot remotely & be as safe as possible in sessions to keep his clients and himself safe.

He has just finished producing an EP for Leeds based Hip-Hop artist Oliver Rees and is working with Bradford based KODHTV on production for channel hosted tracks & other projects.

Around sessions and mixing and mastering jobs Harry has created an Ep of garage tracks which he is beginning to release across soundcloud and Bandcamp at itsharryspeight and itsostrich respectively, one of these tracks is the affor mentioned, Mmm a catchy relaxing laidback track.
