

Massachusetts Hip Hop Artist Rice Throws a Thoughtful Question to All on his Latest Single 'Juice'

Massachusetts hip hop artist Rice wants you to answer a question that he has talked about most impressively over engaging beats in his latest catchy single 'Juice'.

Massachusetts, Webster, Jan 24, 2021 (IssueWire.com) - Hip-hop's brightest stars have persevered for years to reach the position where they are currently. While there are many who dropped out of the league, artists like **Rice** have stood out in the most unprecedented year of everyone's life. The [Massachusetts hip hop artist Rice](#) has smartly figured out the way to rise above the mediocre and has pushed through all barriers to serve as the next generation inspiration for all the upcoming artists in the scene. Intending to impress the wide audience of hip-hop with his varied style and conscious way of delivery, the rapper has recently dropped a new single that finely testaments his uniqueness.

'[Juice](#)' is the single that wholly encapsulates the artist's music originality. Featuring, a classic hip-hop beat and catchy short bars to make up the soundscape, the artist progresses with an unpredictable flow to wash over the senses. The song speaks about what one would do after getting the love, power, and respect, one wants to receive. Do they use the power to drive positive influence or is it the other way round? Finely balancing on the intriguing topic by keeping punchy and powerful, the rapper has used hitting words to send out a message. Mastering the art of flawless rap execution and lyricism, the rapper

brings a fresh twist to the table and hooks everyone with his impactful influence.

As rap has evolved, the definition of being the best in the genre has evolved simultaneously, and this talented rapper has expanded his talent really well to enjoy a lasting stay. The track '**Juice**' has been built under the label Hustle Work Grind Records and **Rice** has utilized his diversified voice to win all hearts. On speaking about the song, the artist has quoted "When I say had to change up the view" this means I had to change me, and choose my music and message carefully. It's not about influencing many it's influencing one at a time with a positive empowering message." It's never about others it's about self and faith that even when things don't go exactly as planned faith will allow you to believe it's all a part of the plan". The artist's greatest achievement was when all of his songs were played on the radio globally and many of them even topped several charts in 2020. Follow him [SoundCloud](#), [YouTube](#), [Facebook](#) and [Instagram](#) for more updates.
