

## Tarick Smiley, MD, a Plastic Surgeon with California Surgical Institute

Get to know Plastic Surgeon Dr. Tarick Smiley, who serves patients in Beverly Hills, California.

**New York City, Jan 7, 2021 ([IssueWire.com](https://www.issuewire.com))** - As the Medical Director of California Surgical Institute, one of the fastest-growing private medical partnerships specializing in cosmetic surgery in the state of California, Dr. Smiley is committed to setting the highest standards for quality of care in the field of plastic surgery. As a Beverly Hills plastic surgeon for many years, he has an extensive patient referral

base and experience in all aspects of cosmetic plastic surgery, and without the Rodeo prices.

Specializing in all aspects of plastic surgery, Dr. Smiley is best known for his high lateral tension tummy tuck technique, but is equally sought after for breast, face, and liposuction procedures. His philosophy of a comprehensive approach and his keenness for artistic mastery of cosmetic plastic surgery has allowed him to develop extensive expertise in breast augmentation (augmentation mammoplasty), breast lift (mastopexy), breast reduction (reduction mammoplasty), tummy tuck (abdominoplasty), liposuction (lipoplasty), facelift / facial rejuvenation (rhytidectomy), eyelid surgery (blepharoplasty), nose surgery (rhinoplasty), and ear surgery (otoplasty). He is able to provide comprehensive and balanced treatment for the aging face, allowing a more natural change.

A native of Ohio, Dr. Smiley graduated from Whitmer High School in Toledo, received his Bachelor of Science from Ohio State University in 1989, and received his medical degree from the Medical College of Ohio in 1994.

He attended Wayne State University for his internship and surgical residency programs. After his general surgery training at one of the most intensive surgical programs in the nation, he completed three post-graduate fellowships - a microsurgery fellowship, a hand & microvascular surgery fellowship, and a plastic and aesthetic surgery fellowship at the renowned RUSH Medical Center in Chicago.

Making people smile about their bodies, he is board-certified in plastic surgery by the American Board of Plastic Surgery (ABPS). The mission of the ABPS is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Regularly participating in accredited continuing education in cosmetic surgery, Dr. Smiley is an active member of the American Society of Plastic Surgeons of which only board-certified plastic surgeons can be admitted. He is also an active member of the Plastic Surgery Foundation for which he has received 1st place awards for his publications and presentations in 2001.

Plastic surgery is a surgical specialty involving the restoration, reconstruction, or alteration of the human body. It can be divided into two main categories - reconstructive surgery and cosmetic surgery. A plastic surgeon's primary responsibility is performing surgical and non-surgical procedures, and they use a variety of reparative and reconstructive techniques to get the job done.

In honor of his clinical expertise, Dr. Smiley is the recipient of the Patients' Choice Award (2018, 2020), On-Time Doctor Award (2018, 2020), and Compassionate Doctor Recognition (2018, 2020).

On a more personal note, he speaks Arabic, French, and English.
