Among Us (Mod APK) is a game with unique gameplay. It has a space theme where the game takes place between the Crewmates and the Imposters. A group of four to ten players can compete in each round. A map is given to all the players in the game. The main objective of the Crewmates is to complete all the tasks which have been displayed on the map and weed out all the Imposters. On the other hand, Imposters have been tasked to finish all the Crewmates, damage in-game systems, and create complete chaos. In other words, you can say that they are the real SOBs.

Whenever a player loses his/her life in the game, he/she instantly takes the form of a ghost. The biggest advantage that the ghosts have is that they can't be seen by the other players. Yes, they become

invisible. They can be noticed only by other ghosts. **But by using this special hack version of Among Us Mod Menu APK you can be able to see the ghost also even if you are not a ghost.**

Crewmates can either accomplish every task or finish all the Imposters to win their respective rounds. Otherwise, quitting the game is always the option for ending that round.

Crewmates can utilize numerous surveillance systems for identifying the Imposters. The players don't have the luxury of establishing their contact with the other players via voice chat. But they do have the option of text chatting with each other.

Players can visit the lobby for adjusting the game's settings. Different types of space costumes, skins, pets, and many more are present in the lobby.

The voting option is also present in the game which allows the other players to vote out and exclude the chosen player. **Using the Hack version of Among us Mod APK, you can arrange unlimited meetings.**

A total of three maps or regions have been provided to the players for competing with each other

1. The Skeld
2. Mira HQ
3. Polus

Cool Graphics
