

Bulltug Introduces Newest 2-in-1 Plush Dog Toy Ideal for Light Chewers

– BFFs Moony and Woola Offer Both Cozy Comfort and Entertainment to Pups –

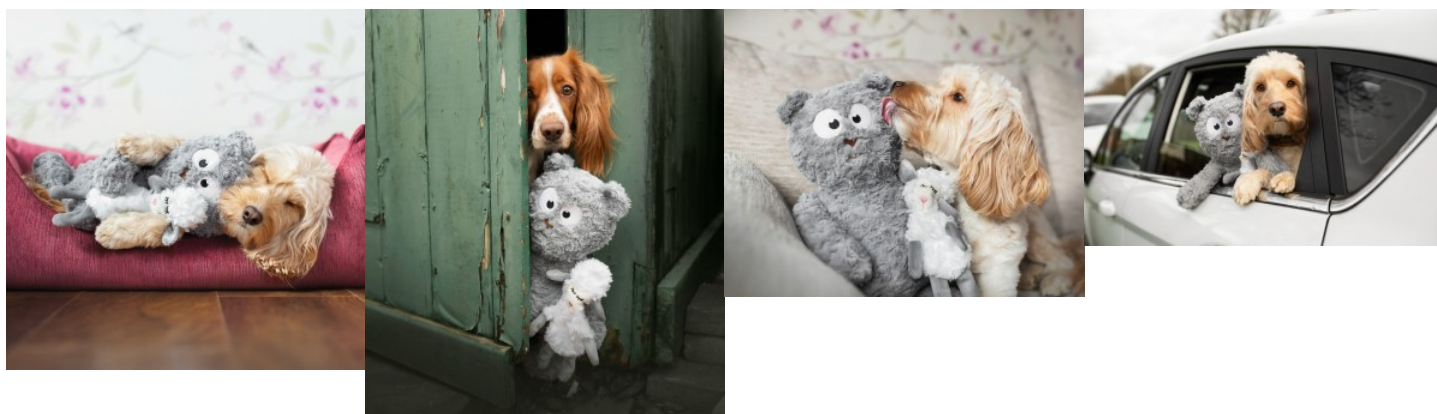

Florida, Ft. Lauderdale, Feb 12, 2021 (Issuewire.com) - Bulltug, a modern dog lifestyle company with a range of toys for all dog personalities, has introduced its latest product – Moony The Bear and Woola the velcro Lamb. The 2-in-1 plush toy is ideal for light and soft chewers and offers both comfort with extreme softness and playtime fun with an entertaining squeak.

Moony The Bear is an adorable plushie bear, designed to provide comfort and warm companionship to dogs that love snuggles and cuddles. His best friend, Woola his velcro Lamb, is a sweet, sleepy lamb that is sure to become any dog's favorite unstuffed squeak toy. Both are made from exceptionally-soft, non-toxic materials, with Woola's squeaker being puncture resistant.

“Moony and Woola are the latest additions to the Bulltug family, and promise to bring endless joy and comfort to dogs considered to be light chewers,” said the Bulltug Company. “We strive to offer a diverse range of high-quality dog toys, from soft plushies to tough rubber toys. This newest duo is the ideal companion for sleep time, playtime, travel, and comfort when visiting the vet – serving all your dog's needs.”

Bulltug is a Florida-based company focused on 2-in-1 dog toys that deliver more fun and value than your average pet toy. The company touts itself as being led by dogs and managed by people – a testament to their steadfast mission of creating toys that put the needs and happiness of dogs first. In addition to plush and tough toys, Bulltug also offers a 2-in-1 cozy home bundle featuring a collapsible toy box and an ultra-soft fleece blanket.
