

Conspiracy Castle Has Released Their Interview with Dr. Lorraine Day on YouTube Channel

During the interview, Dr. Day has stated that Covid 19 Pandemic is a complete hoax and a lie. Dr. Day is an author, renowned trauma surgeon, medical professor, and AIDS expert.

California, Los Angeles, Feb 11, 2021 (IssueWire.com) - Alex Stein, the Conspiracy Castle founder, has released an interview with Dr. Lorraine Day on Conspiracy Castle's Youtube channel <https://youtu.be/7QZf9z7qTIE>. Dr. Day is an orthopedic trauma surgeon, HIV & AIDS expert, author, and medical professor. During his two hours exciting interview Dr. Day, they discussed some interesting topics, including Covid 19 and vaccines. During the two hours of interview, Dr. Day talks about anything, including how the Covid 19 Pandemic is a complete hoax and a lie. Dr. Day stated, "God made the body to heal itself, vaccination never works, vaccination to destroy the population of the world."

Dr. Day has answered all the questions during the interview with logical explanations based on science, including some topics that people never heard before like sexuality, vaccine, God, communism, and many more. Besides answering questions with logical answers, Dr. Day also introduces her new book of thirty years of research, entitled "The Deliberate, Destruction of America and the World". This book could be an interesting reading material to those interested in conspiracy theory as well as the hidden fact of America and the world's secrets in the last 100 years.
