

Introducing Express Delivery of parcel to India from UK – Unveiling for the better

United Kingdom, London, Feb 26, 2021 (Issuewire.com) - Teeparam, one of the renowned and trusted courier services in the UK, has now introduced international transportation of goods, especially from the United Kingdom to India via their Express Delivery. With COVID-19 waves spreading around the world in the past 2020, movement between countries was strictly prohibited. Now, after the slow beginning of transportation, high-security checks and hygiene practices are followed before sending a parcel to India from the UK.

To ease and comfort our customers in the UK who might want to send couriers to their business partners or family, Teeparam has introduced the Express Delivery option. Express delivery allows the users to [send parcels to India](#) from the UK within 2 to 3 days after dispatch. During that time, a live tracking facility will be offered to the customers to make them breathe and relax while they ship their goods.

The three important factors are taken care of while shipping a parcel to India from the UK via Teeparam courier service are

- PACKAGING

Your goods are valuable to you. To make sure there is no damage happening on the way during courier service in the UK, Teeparam provides great packaging with top-notch quality materials. So the parcel to India from the UK doesn't have to go through even a scratch under any circumstances.

- SAFETY

COVID is not away from us still and so utmost safety with appropriate hygiene measures are mandatory. For safety purposes, professionals of Teeparam courier service the UK sanitize all your goods before packaging and send them off with proper protection. In this way, your goods stay safe and free from any contagions.

- FAST DELIVERY

Understanding your requirement for on-time delivery, Teeparam has a strong network around the world and transfers goods without any destruction. As a responsible and reputable courier service UK, Teeparam ensures quick delivery and extended security.
