

## Solo New York Rnb Singer Bey Bright Delivers an Alluring and Energetic Scope of Contemporary Strains

Producer and New York RnB singer Bey Bright's soundscape is an integrated course of musical and creative union alongside the strains of soul and hip hop.

**New York City, Feb 8, 2021 ([Issuewire.com](http://Issuewire.com))** - The direction of musical motivation is being presented through a scope of R&B and soul-infused soundscape by music executive, producer, and singer, **Bey Bright**. A solo artist, he exemplifies his music through the strains of a blended genre that allows him to experiment with his sound even more. He is the CEO of indie soul label Bright Vision Entertainment, a music entertainment company based in New York City and Washington, DC which gives him the platform to expose his work to the audiences. His music defines the limitless structure of musical concepts as he imbibes new influences and inspirations to pave the way for his exclusive sound and style.

The **New York RnB singer's** biggest accomplishments in his career include a Grammy nomination for an independent soul people's choice award that further helped him strengthen his position in the industry. He envisions creating the kind of music that motivates, inspires, and entertains the audience through soul infusions and thematic messages of love. Some of his songs that have contributed to nurturing his musical identity include 'Body Can't Lie', '**Love Zone**', '**Don't Stop**', and 'Vibe' among many others. His EP, Soul Nostalgia, and its subsequent sequels garnered widespread acknowledgment on various online music platforms and music charts.

Artist **Bey Bright** is currently looking at promoting his EP more intensely and get the world introduced to his exquisite sound and renditions of contemporary soul and R&B. he has wide wisdom on new

music styles and technology that is imbibed in his production arrangements. From the use of elemental components to challenging his creative degree in each song, he emerges as a creative visionary who will lead the industry to new reforms. The producer is rapidly expanding his musical canvas and garnering an array of audiences on the way.
