

Up and Coming Rapper Milani Bandz is Spreading her Musical Aura with the Music Video ‘Times Up’

Multifaceted Independent rap artist Milani Bandz is making her listeners groove with the latest single ‘Times Up’. The track churns out the essence of hip hop music.

hit the industry again with her puissant personality and musical creativity. Her latest hip hop single '[Times Up](#)' is setting an example in the music industry. The artist is one of the most well seasoned female rappers in the modern era that reflects through the track as well. Her eclectic deliverance and spacious verses provide melody and intensity both. To keep up with her rhythmic flow, the musical arrangement is kept simple and groovy with the beats of digital music. The hypnotic soundscape provides the listener a major hook which is carried forward by the rapper's flawless performance.

The latest single '**Times Up**' is like a response letter to the betrayal of love. The artist is explaining the ups and downs of a loyal relationship while expresses her agitation regarding cheating and betrayal. She is trying to tell her then-boyfriend that his time is up. The subject matter of the track goes perfectly with the theme and justifies the title. Not only through music, but the graceful presence of the rapper can felt through the music video as well. The artist could be seen in red, white, and black outfits respectively. Milani has done an amazing job through her performance which makes the track sound more real and raw. The official music video is shot by Giancarlo Cornejo. The artist's invigorating personality does not fail to engage the listeners with her musical sense and eclectic lyricism.

The latest track is just another milestone in this artist's progressive musical career. This [Independent rap artist Milani Bandz](#) has released many tracks earlier that have garnered a lot of attention from listeners around the globe. Some of the tracks like 'Tetris 2020', 'IM DA ONE', 'No Apologies', 'Wait A Minute' etc are the greatest examples of her persistent musical career. Currently, this artist is looking forward to making more exquisite tracks in the coming days. The listeners are eagerly waiting for it the next release just like the artist is.
