

Chris Riley, Psychic Medium guides Celebrities & TV Royalty as he 'talks to spirits'

England, Colchester, Mar 7, 2021 ([Issuewire.com](https://www.issuewire.com)) - Chris Riley has quickly become UK's Best-Loved Psychic, as voted by his loyal fans and clients. Chris' natural-born psychic abilities repeatedly astound and amaze, leaving skeptics and those unsure of the psychic world overwhelmed by the accuracy and specific guidance from their Loved Ones in Spirit.

Chris's long list of loyal clients includes some of the UK's favorite celebrities, including reality TV royalty. Chris has given readings to our very own Queen of the Jungle, Jacqueline Jossa, TOWIE's iconic 'GC' Gemma Collins, Geordie Shore star Chloe Ferry and more.

Gemma Collins said, "Wow, that's so true. You're scaring me". Chris also predicted Gemma Collins's recent perfume launch featured in Diva Forever, just weeks before its release.

Chris is one of the world's most engaged Psychics across Social Media. Jacqueline Jossa said, "I fell upon his life and was like wow, he knew so much, I thought it was amazing... I'm a bit obsessed with it now, I want to do more".

Praised for his incredibly accurate insights and a remarkable level of detail, Chris delivers nothing but the best for his clients.

Chris says "It is an honor and a privilege to be able to connect people with their loved ones and share messages from the other side." Chris believes he was born with the ability to see spirits, however, his first experience still gives him shivers thinking about it now, today.

Chris's first experience of seeing a spirit was after the passing of his grandfather, who Chris loved and adored. Chris found healing and comfort in the visitation of his grandfather's spirit, and now believes he should use his abilities to help and guide others through their grief and has done so ever since.

Chris' Award Winning Psychic Team and Chris personally offer one to one readings via text, phone, and email, this has been popular during the pandemic as clients have been able to access intuitive guidance and insight to guide them through matters of the heart, love, career choices and so much more.

Allow Chris to be your guide through any decisions you may be struggling to make or help you through uncertain or challenging times. Chris is relied upon for career and love guidance, home & family situations, as well as Past, Present & Future insights and predictions.
