

## **Christopher D. Hogan, MD, an Ophthalmologist with Hogan Eye Clinic & Surgical Center**

Get to know Ophthalmologist Dr. Christopher D. Hogan, who serves patients in Gulfport, Mississippi.

**New York, New York City, Mar 31, 2021 ([IssueWire.com](http://IssueWire.com))** - Recognized as a skilled ophthalmologist with 20 years of experience, Dr. Hogan is the Founder of Hogan Eye Clinic & Surgical Center in Gulfport, Mississippi. Specializing in the treatment and surgery of eye disease, he has performed thousands of eye surgeries on patients throughout the region, including other eye doctors and their family members, medical doctors, surgeons, as well as nurses.

His Medicare-certified, single-specialty ambulatory surgery center was the first on the Mississippi Gulf Coast dedicated exclusively to eye surgery. Dr. Hogan participates in Medicare's Physician Quality Reporting System Initiative and in Medicare's Maintenance of Certification Program.

A 1991 graduate of the Tulane University School of Medicine, Dr. Hogan went on to perform his internship at Riverside Methodist Hospitals - OhioHealth. He followed this up with a residency in ophthalmology at The Ohio State University Wexner Medical Center.

A Fellow of the American Academy of Ophthalmology, he is board-certified in ophthalmology by the American Board of Ophthalmology (ABO). The ABO is an independent, non-profit organization responsible for certifying ophthalmologists in the United States of America.

Certified by the American Association for Accreditation of Ambulatory Surgical Centers, Dr. Hogan is affiliated with Garden Park Medical Center, Memorial Hospital at Gulfport, and George Regional Hospital.

Ophthalmology is a branch of medicine and surgery, which deals with the diagnosis and treatment of eye disorders. Ophthalmologists are experts in the diseases, functions, and anatomy of the eye. They may provide routine care such as vision testing, as well as prescribe and fit eyeglasses or contact lenses. However, ophthalmologists are also surgeons. They repair traumatic injuries to the eye and perform cataracts, glaucoma, and corneal surgery.

Dedicated to offering the finest quality eye care available, Dr. Hogan has been recognized with the "Best Ophthalmologists in America Award" by the Consumers' Research Council of America, a Washington D.C.-based research organization. He is a frequent speaker to other eye doctors for their continuing education.
