About the glasses

These blue light blocker glasses can protect your eyes from computer eye strain when you are watching TV, reading, or gaming on a computer or other electronic devices. These can come in handy when it comes to working remotely or even studying online.

Furthermore, the glasses have blue light blocking glasses with UV400 protection that will protect you from anti-harmful blu-rays. They also provide all-day protection, reduce headache, glare, weariness, eye strain & dry eye, protect your vision, and help you sleep better.

In addition, this blue light glasses frame has the advantages of super lightness, abrasion resistance, low friction coefficient, and so on. The hinges of the glasses are both flexible and durable. All the details ensure you a perfect performance.

Moreover, the blue light glasses round frame design is suitable for both males and females with all face types making them perfect for both business and pleasure.

Alleviate eye fatigue

Long time exposure to blue light would lead to digital eye fatigue. More concatenate on tasks at hand. ELEBOOT anti-blue light eyeglasses will help to eliminate digital eye strain and increase your focus.

Minimized headache

ELEBOOT will supercharge your health by blocking detrimental blue light, Protect your eyes from daily life, minimizing the headache caused by blue-ray and enjoy your digital time.

Improve sleep quality

Wearing ELEBOOT blue light blocking glasses can help you fall asleep easier and get a better night's sleep. You'll feel more alert during the day, resulting in better performance at work or leisure!

Luckily, they provide a lifetime warranty with a 100% money refund guarantee if you do not love your glasses. If you feel like you have any questions, please feel free to contact ELEBOOT for any issue and they will provide you with the best service!
