

Entrepreneur and Business magnet Sagar Larai shares 3 golden tips for first time Entrepreneurs

United Arab Emirates, Dubai, Mar 4, 2021 (Issuewire.com) - 1. NEVER GIVE UP

Write this on your “ARM” or in your diary and do whatever you want to do with it but convince yourself that you don’t want to give up at all in any situation and believe me that’s how you gonna build your “BUSINESS”

95% Startups Fail Within the first 3 years because don’t have that stubborn attitude of Staying “OVER” there for long-term or until you get really well at that particular field and that’s the reason why 5% is the success “RATE” because those 5% People really Care about themselves and you can’t even beat their stubborn attitude at all

1st-time “ENTREPRENEURS” Really need that Type of Attitude In order to help themselves in taking their success Graph Towards “SKY” in a slow-motion Sequence.

2. BLIND PATH

Most people don't even know where they're heading towards in this ENTREPRENEURIAL” Journey and that's why 95% of the startup even Home Blogs Fail within the Starting Few Years

Try to analyze the situations which are implemented to your business at “BAD TIME” and find out a way to Crack it anyhow because that's what most successful “ENTREPRENEURS” do

Don't follow someone Blindly and don't even start your “RUN” without a Target or purposeful desire to map out the long-term “GAME”.

3. MENTORSHIP

For a newbie, the real challenge is to find a person who can guide them for playing the “GAME” on their betting and start working on their “TERMS”

Also, most people want to make some quick cash in starting and that's where they're pushing themselves back from “ENTREPRENEURSHIP” and it's the exact situation when you need a Mentor who Can “GUIDE” you through-Out your journey and let you know that you're going wrong over here and can provide you the best solution to solve that problem.
