

Josephine V. Jasper, MD, FACE, an Endocrinologist in Private Practice

Get to know Endocrinologist Dr. Josephine V. Jasper, who serves patients in Naples, Florida.

New York, New York City, Mar 6, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Jasper is an endocrinologist serving patients at her private practice located in Naples, Florida. Dr. Jasper's practice focuses on endocrinology, thyroid, diabetes, metabolism, and obesity.

In 1985, Dr. Jasper earned her medical degree at the University di Bologna in Italy. After relocating to the United States she then completed her residency at Cornell and her Endocrinology Fellowship at UMDNJ Rutgers Biomedical and Health Sciences. In order to remain up to date in her field, Dr. Jasper maintains a professional membership with the American Association of Clinical Endocrinologist, the American Medical Association, the Passaic County Medical Society of New Jersey, the New Jersey State Medical Society, the Florida Medical Society, and the Collier County Medical Society and is currently in the MOC certification program.

Endocrinology is a branch of biology and medicine dealing with the endocrine system, its diseases, and its specific secretions and hormones. As an endocrinologist, Dr. Jasper is trained to treat a variety of conditions, including menopause, diabetes, infertility, pituitary disorders, erectile dysfunction, hyperlipidemia, vitamin disorders, osteoporosis, Poly-cystic Ovarian Disease, and thyroid disorders. She examines patients, determines the means of testing, diagnosis, and decides the best treatment methods.

With over 27 years of experience in the field, Dr. Jasper has treated thousands of patients.
