

Naeem Seirafi is a Cinematographer, he was born on September 17, 1985 in Tehran (Iran).

California, Los Angeles, Mar 31, 2021 ([Issuewire.com](https://www.issuewire.com)) - Naeem Seirafi is a Cinematographer, he was born on September 17, 1985, in Tehran (Iran). Seirafi is known for achieving a distinctive

and innovative artistic approach towards photography with almost 14 years of experience. Seirafi's father was a highly regarded photographer himself at the time and this heavily influenced Seirafi's early life. With a solid foundation and a degree in Engineering, he simultaneously pursued his passion for photography by becoming the youngest set photographer of Iranian Cinema at the age of 19.
