

Rockin Rose Rock Star Owns An Lamborghini Aventador!

British Columbia, Vancouver, Mar 7, 2021 (IssueWire.com) - About Rockin Rose:

canadian talented artist,composer,song writer,arranger,singer,music genre is symphonic metal,nu-metal,gothic metal,rock.

She released her anger into her own song.

Her creations all sounded exactly like herself. Her songs sounded dark and mystic, furious, aggressive.

Rockin Rose Just bought a Lamborghini Aventador for celebrating her album<Bury In Grave> sold 1M digitally.

This album mixed nu-metal, symphonic metal, alternative metal, the rock appeared in 13 songs.

Such as the song <Icing Blood>is a nu-metal one,<Bury In Grave>symphonic metal,<Thorny Path>alternative metal, kinda experiment music.with 2 different verse and refrain, first part bright,

second part dark, from gentle to heavy, melodic clean vocal through the song an aggressive scream at the 2nd refrain and bridge the end of the song. Either the arrangement and melody which is full of fresh professional musical ideas.

Even the instrumental<hell illusion instrumental>is also very exquisite, the beautiful violin with a furious guitar makes the song rival, calm, and fanaticism, like a conversation of the devil and falling angel.

Official Music Video<Hell Illusion>is also available for watching. Audiences can feel the ultimate music experience via watching the <hell illuion>music video.

In fact, most of the artists are not rich, a honda or Nissan is great enough, and for famous celebrities, if they can own a Benz, BMW, AUDI is luxurious enough, If own a Porsche911 will be the best result everyone's dream car.

Only The Top famous POP celebrities such as Justin Bieber, marshmallow, Nicki Minaj can afford a Lamborghini to match their fame.

But Rockin Rose as a Rock genre Celebrity owned a Hot Extraordinary Legendary Lamborghini Aventador, her music technology provided her the ultimate luxury dream lifestyle.

She really becomes the Rock Queen literally.
