Sell Us Your Test Strips today unveiled their new and improved website. This milestone is a major move for Sell Us Your Test Strips on its mission to help diabetics who are in need. Site improvements include an updated price list, faster page loading times, and a new informative FAQ section.

“The launch of sellusyourteststrips.com is a big deal for our company and diabetics across the nation. A lot of people don’t know that they can sell their unexpired boxes of diabetic test strips, but our new website just made the number of people that we can reach grow tremendously,” says Arlo Nelson, Owner at sellusyourteststrips.com.-<https://sellusyourteststrips.com>

This news comes in the wake of many recent initiatives and accomplishments of the company, including:

A new marketing and outreach team.

PayPal and Cash App Availability For Fast Payment

24/7 Customer Support

“There are boxes of test strips sitting in medicine cabinets across the United States that will just expire and go to waste, but there are also people with diabetes who are without health insurance that need them,” says Arlo.
