Get to know Pediatrician Dr. Sharon Novy, who serves patients in Gilbert, Arizona.

New York, New York City, Mar 29, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Novy is a trusted pediatrician who provides well and sick care for babies, children, and adolescents at Children's Oasis Pediatrics in Gilbert, Arizona.

"We pride ourselves in being an exceptional clinic where children come first. Our child-focused practice

works hard to meet the needs of children from infancy through adolescence. Compassionate, knowledgeable, and supportive staff is the cornerstone of Children's Oasis Pediatrics's quality care. All of our pediatricians and medical staff are highly trained professionals, and maintain the highest level of accreditation in pediatrics to address the special needs of infants, children, and teens" as stated on the practice's website.

A firm believer that exceptional care is obtained when there is an on-going relationship between doctor and family, Dr. Novy wants to be a lifelong partner in her patients' health. She achieves this goal by listening to questions and concerns and educating parents on how to promote a healthy lifestyle for their entire family. Family-focused healthcare means being flexible to see patients when they need it and serving their needs from basic to complex, special needs.

Growing up in the Chicago area, Dr. Novy obtained her Bachelor of Science degree in Molecular and Cellular Biology from the University of Arizona in 1992. She then attended medical school at the Feinberg School of Medicine at Northwestern University in Chicago, graduating with her medical degree in 1996. This was followed by a residency in pediatrics at Phoenix Children's Hospital.

A Fellow of the American Academy of Pediatrics, she is board-certified in pediatrics by the American Board of Pediatrics (ABP). The mission of the ABP is to advance child health by certifying pediatricians who meet standards of excellence and are committed to continuous learning and improvement.

Among her philanthropic endeavors, Dr. Novy loves Arizona Basset Hound Rescue.

Licensed to practice medicine in Arizona, she is affiliated with Banner Desert Medical Center and Phoenix Children's Hospital.

Pediatrics is the branch of medicine that involves the medical care of infants, children, and adolescents. Pediatricians provide medical care to people ranging in age from newborns to young adults. They are trained to examine, diagnose, and treat children with a wide variety of injuries and illnesses through all of their developmental stages, as they grow and mature.

Happily married, Dr. Novy is the proud mom of two sons. Outside of practicing medicine, she enjoys spending time with her family and dogs. Her hobbies include embroidery and quilting.
