Get to know Periodontist Dr. Shivangi Amin, who serves patients in Richmond, Virginia.

New York, New York City, Mar 10, 2021 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Amin is a skilled periodontal treatment and oral implantology specialist, and owner of RVA Periodontics & Dental Implant Center in Richmond, Virginia. Passionate about patient health, wellness, and education, her goal is to provide every patient with the personalized treatment that will keep their teeth healthy and beautiful for a lifetime.

“From children to seniors, RVA Periodontics & Dental Implant Center offers a comprehensive and educational approach to periodontal care – ensuring treatment options and individual treatment plans are personalized for the unique needs of each patient” as stated on her website.

Alongside her clinical role, Dr. Amin spends time teaching in the Periodontics Department as Adjunct Faculty at VCU College of Dentistry.

Originally from India, she has also lived in Mauritius, North Carolina, California, New York City, and now resides in beautiful Richmond, Virginia. After graduating from dental school from an Island in Mauritius, she continued her studies and completed the postgraduate education program in Periodontics and Implant Dentistry at NYU College of Dentistry and received a Master’s degree in Biomaterials from NYU as well.

Dedicated to continuing her education and staying current on dental research and techniques, Dr. Amin is a member of the American Dental Association, the Virginia Dental Association, the Richmond Dental Society, and the American Academy of Periodontology.

In addition to being certified in esthetic dentistry and laser dentistry, she is board-certified in periodontics and implant dentistry by the American Board of Periodontology (ABP). The ABP is an organization that serves the public and the dental profession by administering the board certification process for experts in the dental specialty of periodontics.

Periodontics is the dental specialty focusing exclusively on the inflammatory disease that destroys the gums and other supporting structures around the teeth. A periodontist is a dentist who specializes in the prevention, diagnosis, and treatment of periodontal, or disease, and in the placement of dental implants.

During her free time, Dr. Amin enjoys exercising, hiking, playing tennis, traveling, and trying new foods. As a self-proclaimed foodie, she welcomes suggestions and recommendations for new restaurants to try!

On a more personal note, she speaks multiple languages, including English, Gujarati, and Hindi.
