

## Top 10 - Trivia Quiz App Now Supports 8 Languages

Xinora Technologies Announces Release of new Mobile app Game “Top 10 - Trivia Quiz Questions” for iOS & Android Devices

California, Los Angeles, Mar 30, 2021 ([Issuewire.com](http://Issuewire.com)) - “Top 10 - Trivia Quiz Questions” is a fun and interesting new trivia app game with over 1000 levels. Trivia enthusiasts couldn’t be happier with the new release.

When it comes to categories of games that mobile players hold dear, trivia games could be the most

popular. Finding a new choice recently became much easier, thanks to London-based app studio Xinora Technologies. In exciting news, [Xinora Technologies](#) recently announced the release of its latest mobile app game “Top 10 -Trivia Quiz Questions”, expertly designed to be as compelling and fun as it is addictive and challenging. The new mobile game is available at both the [Google Play](#) and [App Store](#) for Android and iOS devices, respectively.

“We specialize in games, especially trivia games, and we are really proud of ‘Top 10 – Trivia Quiz Questions’,” commented a spokesperson from Xinora Technologies. “We know the bar has been set high in the trivia and quiz game world and our new release exceeds even high expectations.”

According to the app studio, the game is packed with eye-opening topics with over 1000 levels featured to test player’s trivia knowledge. Its Top 10 lists have subjects to intrigue gamers of all backgrounds, with enough difficulty to keep things interesting. A special feature called “Powerups” gives players a chance to ask for help if they get stuck: where five letters, ten letters, or the whole answer is revealed to the player in need. All-in-all expects many, many hours of thought-provoking entertainment.

The early response to “Top 10 – Trivia Quiz Questions” has been extremely positive.

Christine S., from Boston, said in a five-star review, “I wasn’t sure what to expect but ‘Top 10 – Trivia Quiz Questions’ has become my favorite quiz game of the last few years. It’s not easy like many others out there, but if you get stuck, it gives help so you keep enjoying the game. Totally recommended!”
