New York, New York City, Mar 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - Providing compassionate care, Dr. Cheung seeks to ensure his patients have the smile they have always wanted and the confidence that comes with it. Serving as the Founder of TORC Dental, he desires to make a difference in the Dripping Springs community and brings dental care to those who desperately need it.

Some of the dental services that he offers include emergency dentistry, dental implants, cosmetic

veneers, crowns & bridges, tooth-colored fillings, Invisalign, teeth whitening, root canal therapy, wisdom teeth extractions, periodontal treatments, scaling & root planing, dentures, and nightguards. His greatest joy comes from improving his patients' quality of life and contributing to their well-being.

In 2016, Dr. Cheung graduated with his Doctor of Medicine in Dentistry degree from the UNLV School of Dental Medicine. From 2016 until 2017, he served within the Emergency Room/Oral Surgery Faculty at the said establishment.

Honing his skills, he possesses extensive experience in many advanced dental techniques, including dental emergencies, dental implants, cosmetic treatments, root canal therapy, complex extraction, full-mouth rehabilitation, and more. He also continually participates in continuing education courses to keep his knowledge up-to-date.

Passionate about his profession, Dr. Cheung is a member of the American Dental Association and a Fellow of the International Congress of Oral Implantologists (FICOI).

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Cheung is fluent in both English and Chinese.
