

Ujjwal Singh aka Theuji is a rising digital entrepreneur

He is the founder of Webude Media, which is a trusted name in providing services like app development, web development, creative work, digital marketing and even brand building.

Jharkhand, Daltenganj, Mar 31, 2021 ([IssueWire.com](https://www.issuewire.com)) - Entrepreneurship is perhaps the only art which besides being impressive is also something that sets a path for further entrepreneurs to follow and reap the same benefits from. In a world of multiple businesses and opportunities, it is extremely rare to find people who choose something, stick to it and then successfully give it a touch of sustainability, stability, and growth.

Today (if you don't already know), we will introduce you to Mr. **Ujjwal Singh** AKA **Theuji**, an impeccable performance as an entrepreneur, digital marketer, and personal brand consultant from the city of Daltonganj. **Ujjwal (Theuji)** was always interested in changing the face of Indian and international businesses by revamping them according to the emerging trends and dimensions of the 21st century. This forward-looking vision was turned into a physical reality through the intense level of hard work and faith that **Ujjwal (Theuji)** put in since an extremely young age.

Today, at the ripe age of 19, when most youngsters/adults are dreaming to find footholds in industries, **Ujjwal Singh (Theuji)** is one of the biggest names in the Information Technology sector of India.
