

## **ANTHONY ABOU ANTOUN Supports NGOs Through His Massive Events In The Middle East.**

**Lebanon, Beirut, Apr 7, 2021 ([IssueWire.com](http://IssueWire.com))** - This is not the first time Anthony supports the community, as he promoted THE FROZEN CITY ICE WORLD TOUR & JONAS BLUE ON ICE events last Christmas in support of the Children's Cancer Centre.

According to our interview with AbouAntoun, he mentioned that “through love and happy moments, we will overcome the crises” – He added that “THE CRAZY CITY has dedicated the first 7 days of sales as a fundraising to support TAMMANA – a non-profit organization aiming at making children's wishes come true - we will be supporting the children of Beirut that have lost their parents and homes during the explosion; It is their right to celebrate the upcoming holiday season”

Despite all the unfortunate events happening around the world and especially in Lebanon, AnthonyAbouAntoun chief executive officer of entertainment and marketing brands decides to connect the globe under one unique platform – adapting to the current covid'19 situation in order to entertain people virtually in a safe and happy environment.

AbouAntoun proudly launched THE CRAZY CITY which happens to be one of the biggest E-commerce platforms across the world providing the user with over ONE MILLION party items in store. Not only that, but [www.thecrazycity.com](http://www.thecrazycity.com) features a LIVE channel whereas international lineups and family shows are to take place in the near future - FREE of charge to anyone from anywhere!
