**Georgia, Atlanta, Apr 2, 2021 ([IssueWire.com](http://IssueWire.com))** - **Brandon Maddox** has just announced that he will be heading into the studio this year to record his next single and EP titled the **Last Farm in the USA**. The last **Farm in the USA** is dedicated to the men and women of America's farming families.

This triple-threat songwriter, artist, and performer have shared the stage with some of country music's biggest stars including **Brett Eldredge** and **Blake Shelton**. Maddox has had his original songs featured in movies like **Providence** and the Michael Ealy film **Unconditional**.

Brandon's first radio single, [Dixie Chaser](#), won the [Josie Awards](#) **Song of the Year**. His second single, [Good Side](#), traveled up the charts to number 58, which is unheard of for an independent artist. Brandon's third single, [Drive Me to Drink](#) won the Josie Awards **Modern Country Song of the Year**. Named **Lucas Oil's Monster Truck Artist of the Year**, this prolific Country Music Artist blazed the country performing at half-time shows for the **Lucas Oil Monster Truck Nationals**.

With three albums produced by Reba McEntire's bandleader and keyboardist, Doug Sisemore, Maddox has proven himself worthy of working with the top tier of professionals in the Nashville Music Industry.

With a track record like that, you can bet the **Last Farm in the USA** will be a hit you will not want to miss!
