

Marketing expert Vinay Hankare is disrupting online digital marketing education industry

Multi-talented marketing expert Vinay Hankare has ventured into the teaching field to help young entrepreneurs and students learn the digital marketing properly

India, Maharashtra, Apr 23, 2021 (Issuewire.com) - Digital marketing can be a high-paying profession if learned properly. Multi-talented marketing expert Vinay Hankare has ventured into the teaching field to help young entrepreneurs and students learn the subject properly. With his years of experience in sales and marketing, the brilliant market expert is offering a one-on-one digital marketing course online. He coaches only 1 student for 1 month. He selects the students by interviewing them. In the past 6 months, he has educated 5 students with the proper knowledge of digital marketing. Four of them got 27k, 35k, 32k, and 60k per month salary jobs as digital marketing professionals all over India.

The talented marketing expert has been working with big brands like Digital Marketing Nerd, Common Baniya, Mobcast Innovations, and more. Vinay Hankare has also helped startups grow with his expertise. He has been awarded as The Most Trusted Marketing Freelancer for Small Businesses.

The 'digital nerd' became frustrated with online marketing gurus who have been deceiving students with their ineffective online courses. For the past 6 months, he has been requested by students that they want to learn digital marketing. He found out that most of them completed some kinds of online e-commerce courses from professional institutes. But they could not even answer the basic questions.

Hence, he decided to conduct research on the topic and create his personalized learning method.

Vinay Hankare is a digital marketing expert who is sharing his expertise with students and rising entrepreneurs to help them get a full grasp of the subject. He is offering an effective online coaching course to students all over the country. He has made a name for himself in the film industry by winning the Best Cinematography Award for his short film 'UPKAAR 2018'. For more information, visit his website <https://vinayhankare.com>.
