

## Michael R. Scoma, MD, an Infectious Disease Specialist with NYU Langone Hospital — Long Island

Get to know Infectious Disease Specialist Dr. Michael R. Scoma, who serves patients in Mineola, New York.

specialist at NYU Langone Hospital — Long Island, a 591-bed hospital in Mineola, New York. It is the Long Island hospital base of NYU Langone Health System, previously known as Nassau Hospital and later Winthrop-University Hospital.

As for his academic appointment, he serves as an Adjunct Assistant Professor within the Department of Medicine at NYU Long Island School of Medicine.

A 2004 graduate of the American University of the Caribbean School of Medicine, Dr. Scoma went on to further his training. He performed his residency in internal medicine at NYU Langone Hospital — Long Island in 2008, and his fellowship in infectious disease at Yale-New Haven Hospital in 2010.

Licensed to practice medicine in New York, the doctor is board-certified in infectious diseases by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Infectious disease is a medical specialty dealing with the prevention, diagnosis, and treatment of infections. An infectious disease specialist's practice also consists of managing nosocomial (hospital-acquired) infections.
