

# **The success story of Monojit Shil, how they become a successful Indian musical artist, youtuber & author**

Monojit Shil

**West bengal, Raiganj, Apr 10, 2021 ([Issuewire.com](http://Issuewire.com))** - Nowadays, everyone wants to become a successful person. As well as a name everyone wants fame also. But, here Monojit Shil starts his carrier to become a successful person. They only want a name. Because according to Monojit Shil if you get a name then you will getting fame automatically.

Monojit Shil starts his carrier by running a youtube channel name Shil Digital first. But, they use third-party and copyright videos in that channel. That's why many times they were permanently close his channel. But, after some time, they started his new channel name called Monojit Shil. Now in this channel, they are providing tutorials about WordPress, blogging, Android app development, unboxing, editing, and many more. YouTube officially verified his channel and they have an official artist channel on YouTube.

Now, you think why YouTube verified the Monojit Shil channel as a musical artist. Because in 2020 he released his first soundtrack on the SoundCloud music streaming platform. But, after some days he releases his official on Spotify, youtube music, apple music, Amazon Music, JioSaavan, and many others. Monojit Shil has released his soundtracks on foreign music streaming platforms like Deezer, Tidal, and Napster. You get Monojit Shil music on TikTok, Instagram, or Facebook library also.

Monojit Shil also knows as a successful author. He publishes his four eBooks on google play store and amazon. He also knows as an Indian author on google. Now, Monojit Shil officially verified on google, yahoo, and bing as a musical artist and youtube personality. According to Monojit Shil without hardwork you can't get success. Just keep following your dreams.
